- Variety of games and activities that were played in the early 1900s
- Explanation of the artifacts and displays in the schoolhouse

SCHEDULING

Programs are offered in the Spring and Fall from 9:00 to 11:30 a.m., Monday through Thursday. Please contact us for this year's available dates.

Please use our online registration form to reserve your preferred date. We will then confirm your reservation via email as soon as possible, and will let you know of any scheduling conflicts. Feel free to email or call our office with any questions. **Because we rely on volunteer teachers, our availability is limited and it is difficult to reschedule once we have confirmed your request.**

FEES & CAPACITY

The WHS schoolhouse program is free to all second graders in Wauwatosa schools, including public, private, and parochial schools. School districts outside of Wauwatosa must pay \$5 per student for this field trip.

A minimum of 15 students is required; a maximum of 28 students is permitted.

POINTS TO REMEMBER

- Visiting students and teachers are encouraged to wear old-fashioned attire and embrace the spirit of the turn-of-the-century schoolhouse experience.
- Please assist our teachers by having each student **wear a nametag** with their first name clearly visible in large print.
- Accessibility: The schoolhouse is on the second floor of the Coach House on the Kneeland-Walker grounds. Students must climb a flight of stairs. In the classroom, students sit in rows of wooden school desks.
- There is no bathroom in the Coach House, and the facilities in the Kneeland-Walker House are limited.
- We appreciate your efforts to maintain appropriate student behavior.
